

Certified for Microsoft Dynamics® Solutions
Proven. Tested. Recommended.

Need proof before you buy a new solution?

Microsoft set the bar high by developing the Certified for Microsoft Dynamics accreditation. It sets a small group of proven, tested, and recommended business solutions apart from thousands of other solutions that have not met the rigorous requirements including:

- Designed to help meet your unique business and industry needs
- Tested and seamlessly integrated with Microsoft Dynamics products
- Used and recommended by other companies like yours

ACW Solutions is the FIRST Microsoft Dynamics NAV partner to earn the Certified for Microsoft Dynamics accreditation in Hong Kong.

Trade Discount Manager

Trade Discount Manager is a comprehensive rebate management solution for retail and wholesale industries built on Microsoft Dynamics NAV, is now Certified for Microsoft Dynamics.

Many manufacturers offer rebates, discount, and incentive programs to retailers/wholesalers to attract new customers and stimulate sales. These incentives programs reward them to achieve volume sales and promotion goals.

Trade Discount Manager helps you calculate, track, and process specific rebate, discount, and incentive programs related to vendor purchases and customer sales.

Powerful features:

- multi-level discounts or rebate programs supported
- Rebate calculation by Vendor, Invoiced amount, Item, Product Line
- Multiple sales line discount information record and update

With Trade Discount Manager, you can:

- Reduce hassle in the calculation of multiple rebate discount and amount by automating the process
- Set up multiple types of discounts in a single screen
- Track rebates and product costs accurately

Choosing a vendor that's Certified for Microsoft Dynamics can give you the proof you need.
